

TODD SCHNICK

Todd Schnick is a marketer, blogger, radio show host, speaker, trainer, political strategist, and distance runner.

Since 2003 Todd has started six companies including The Intrepid Group, LLC, The High Velocity Organization, and Dreamland Interactive; marketing firms serving various markets and sectors. Messaging, strategy, and social media integration fall squarely within his key areas of expertise.

Todd launched his career in politics serving as aide to a U.S. congressman. He later served as political director of the Florida GOP during the 2000 recount and has run two state political parties (Nevada and Georgia).
